MOULDED TUBES

Moulded cycle and heavy-duty tubes in natural rubber or butyl, supplied in pouch or boxed, in four valve fittings across the size range.

VARIANTS

COMPOUND	Natural rubber or butyl
CONSTRUCTION	Jointed or moulded
GRADE	Standard, heavy duty, super heavy duty
SUPPLY	Boxed or pouch

VALVE FITTINGS

ATOM VALVE

English pattern with an all-brass core sealed on an internal ball — no rubber sleeve to perish. Interchangeable with a Dunlop core on the same 8 mm stem.

AUTO · AV

Schrader fitting for heavy-duty and rickshaw tubes. Long-neck on request.

BRASS · D/V

Brass-bodied Dunlop for load and export fitments.

FRENCH · PRESTA

Narrow-bore fitting for 700C and road rims.
